

Drawing Competition for Mardi Gras 2021

Mardi Gras was cancelled in almost all cities in Germany and also at the Deutsche Schule Ann Arbor due to COVID-19. We would still like to remind our students of this event, however, and decided on short notice to announce a drawing competition.

Task:

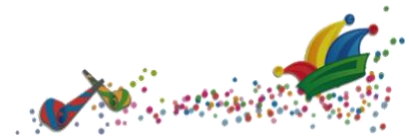

Draw a picture depicting the topic “Mardi Gras” and write a short explanation about it.

What does it mean to you? How do you envision Mardi Gras? Do you have an idea for a [cartoon wagon](#) for a parade? What is your favorite costume?

All of your beautiful pictures will be displayed online!

This is how you can participate:

- You have to draw or paint the picture yourself.
- You choose the size of the picture.
- You may pick any tools you like: pencil, brush, etc.
- Write three sentences in German in a Word document and explain the idea behind your drawing and what you want to tell us with your picture.
- Write your name and your grade underneath your sentences.
- Take a picture of yourself and insert it into the Word document.
- Save the Word document as a PDF document.
- Scan your drawing and send it together with your PDF document to the [Competition-Coordinator](#).

What can you win?
