

Merry Christmas to EVERYONE!

The 10th DaM has prepared another theater play behind the last door – [“Mr Friedrich Käsekorbs Christmas Party”](#) (please click link).

Friedrich Käsekorb has big plans for his Christmas Party, very big plans. So big, that he wants to change the world with it. But are these ideas really that good?

We would like to take this opportunity to thank everyone who contributed to our advent calendar. It was a lot of fun! Merry Christmas and a Happy New Year.

Your DSAA-team

PS: Köbi wishes you a Merry Christmas too!
